Key Highlights

- ✓ ASK Group manages ₹85,000+ crore across 20,000+ clients
- ✓ Decades of experience across PMS, AIFs, wealth and alternatives, backed by Blackstone as majority shareholder since 2022
- ✓ ASK is expanding beyond traditional PMS through mutual funds, private credit, real estate, hedge strategies and international wealth management

Key Risks

- ASK's earnings are exposed to equity-market performance and performance fees, making profits more volatile during weak markets
- Employee costs rose by ₹96 crore in FY26, while new initiatives including mutual funds, private credit and DIFC operations contributed significant upfront losses
